<http://www.trot-md.org/>

March 2009

Number 173

## Judged Pleasure Ride Saturday June 6 2009

TROT's Judged Pleasure Ride date is coming up fast. Get your trail riding friends out on the trail with you and practice, practice, practice. We need lots of entries but also need volunteers to help with this fundraising event. There are jobs for judges, parking directors, entry takers and general helpers.

Registration form on page 9,10 or on TROT website <http://www.trot-md.org/>

Contact Marilyn Miller at (301) 898-7274 or [marilynmiller@comcast.net](mailto:marilynmiller@comcast.net) to volunteer. Thank you!

## SILENT AUCTION REPORT

*Kyle Jossi*

A loud cheer went up at the end of the Annual Dinner/Silent Auction on February 28 when the cashiers announced that we had made \$1,800 on the auction! In fact, we counted a second time to be sure there was no mistake. I have no doubt that this success is due to the incredible team work of everyone involved. This was truly an example of the phrase, "the whole was greater than the sum of the parts." We are fortunate to have some very generous vendors who donated services and items for the auction, members who contribute tack and horse supplies that they could have sold on EBay, and of course all of you who bid on those items and wrote generous checks at the end of the evening.

I would like to recognize several folks who show up every year to help with setting up the auction. They keep their cool as auction items pour in at the last minute and need to be catalogued and placed on the tables. My grateful thanks to Amy Kimble, Pat Oliva, Marilyn Miller, Deneen Martin, Carolyn Rhodes, Mike Gafney, and Sim Shanks. Art and Judy Thacher and Barb and Denis Webb helped at the end of the auction. Special thanks to Janet MacNab for all your planning and hard work that made the dinner a perfect

compliment to the Silent Auction. I have no doubt that I've forgotten someone, please accept my thanks and apologies.

Despite the sagging economy, vendors and equine professionals came through with some very generous donations.

They include –

**SmartPac,  
Dover Saddlery,  
Patty Lynch (Barefoot  
Trimming),  
Maryland Tack, Redde-  
meade Farm,  
Southern States/Spencerville  
Turf Center,  
Goshen Hounds,  
Valley Vet Catalog Sales,**

**Bartley Trailers,  
Woodland Tack Shop/  
AnyTime Tack,  
Kenny Kitts ABC Horse  
Training,  
U.S. Rider Insurance,  
Amy Parsons Performance  
Tack,  
Janet Young - Equine Cra-  
niosacral Body Treatment.**

Please keep the generosity of these businesses in mind when making your equine purchases.

If you have any comments about the Silent Auction or would like to help out with the 2010 event, I would love to hear from you! (Phone (301) 570-3860, or [bossyjossi@verizon.net](mailto:bossyjossi@verizon.net))

## ***President's Message***

***Priscilla Huffman***  
*Outgoing President*

Transitions are usually fraught with a mixture of anticipation and regret, and the transition of the TROT leadership position holds both for me. Over the past five years we have grown the TROT organization both in our outreach, by increasing our membership and the range of our county coordinators, and our representation to officials with the number of hearings attended, testimonies presented, and community planning sessions attended in various areas of the state.

This time has also seen our increased affiliation with the hiking and biking community, through our projects with Mid-Atlantic Off Road Enthusiasts (MORE), the Equestrian Partners in Conservation (EPIC), and the Maryland Horse Council. We are also developing a more structured relationship with the Maryland Department of Natural Resources.

TROT continues to be the primary group in the local states

area recognized as a voice for the equestrian community. Our reputation is strong, our participation has been active, and our group is sought out for opinions on local community issues regarding trail use and development. This recognition is a result of the many members who have attended meetings and trail maintenance projects, and especially our devoted county coordinators and board members.

I would like to thank our outgoing officers for their dedication: Marilyn Miller as Vice-President, Susan Gray as Secretary, and Deneen Martin as Treasurer. We have equally strong officers coming in for 2009: Ron MacNab, President, Tomi` Finkle, Vice-President, Suzanne Anderson, Secretary, and Susan Railey, Treasurer.

We have more challenges ahead, and a vibrant community of trail riders. Your volunteer hours will ensure that these challenges are met.

Best wishes and happy trails.

---

***Ron MacNab***  
*Incoming President*

I really enjoyed meeting so many new people at our Annual Dinner and Silent Auction. This event seems to be growing each year. We had one hundred and fifty-six people come to the event at our new location in the Fireman's Activity Hall at the Mount Airy Fair Grounds. It was fortunate that we moved to this larger facility that offered more seating and display area for the auction.

Kyle Jossi once again did a spectacular job managing the Silent Auction. I am always amazed at what she is able to accomplish. It seemed like we had many more big ticket items, a large variety of quality items to choose from and lots of new products. In all, she and her team collected \$1,800 making this our most successful auction to-date.

Janet MacNab managed the Annual Dinner and it went like clockwork. I can't say enough good things about Janet and her work. (*In fairness and in full disclosure, she is my wonderful wife.*) Her organization skills and attention to detail resulted in a fabulous occasion that all seemed to thoroughly enjoy.

Special recognition should be given to:

- Sim Shanks who figured the table layout for maximum effectiveness and for handling the Audio,
- Deneen Martin who created the bouquets and glass etchings that decorated our tables,
- Jeanne Bond who managed the sign-in table and collected memberships,
- The many volunteers who helped with setup and clean up. It could not be done without you.

Of course the most important contribution to the dinner was your attendance. It is, you, the members of TROT, who came to the event, shared your company, conversation and cheerfully reached out to meet people, that made the event so successful.

This is my first newsletter as President. It is an honor to be working with you and the Board. My thanks go to Priscilla Huffman, who served so successfully as President for the last five years. It is through her hard work and dedication that I, and many of you, became so actively involved with TROT. I will do my best to continue her good work. Fortunately Priscilla will remain on the Board providing her thoughts and guidance.

## **2009 TROT Officers Elected.**

At the March 10, 2009 Meeting of the TROT Board, the following Officers were elected:

President: Ron MacNab  
Vice President: Tomi` Finkle  
Secretary: Suzanne Anderson  
Treasurer: Susan Railey.

The new TROT Officers, Board Members, and others present at the meeting noted appreciation for the long and excellent service to TROT by the outgoing President - Priscilla Huffman; Vice President - Marilyn Miller; Secretary - Susan Gray; Treasurer - Deneen Martin.

## County Updates

Currently there are no named contacts or coordinators for **Baltimore, Calvert, Prince George's, St. Mary's, and Talbot Counties**. If you have an interest to act in this capacity, please contact Ron MacNab, TROT President, [macnab@comcast.net](mailto:macnab@comcast.net)

### Charles County

*Tomi` Finkle*

I would like to share a secret place to ride on Sunday mornings. Located in western-central Charles County, Maryland, is the Myrtle Grove Wildlife Management Area (WMA). This WMA is primarily known for its hunting and public shooting range. This WMA also holds a little known secret that is a great place to go horseback riding during the spring and summer on Sunday mornings. While horseback riding is not an advertised attraction of this DNR property, it is permitted during non-hunting season and is especially a wonderful place to ride on Sunday mornings.

You may ask why only on Sunday mornings? 1) There is no Sunday hunting on Park Lands and (except for a short turkey season) there is no upland game in season to hunt in the spring and summer, and 2) The public shooting range does not open until 1:00pm. If you get there early and have your horses loaded back on the trailer before the shooting starts, you will likely have the 1700 plus acres to yourself. I rode Myrtle Grove on Sunday February 8, 2009, and except for one downed tree (which had an easy work around) the trails were in great condition. The following Internet link will take you to a nice map of the State WMA property

(I suggest you print a copy of the map and have it with you the first time riding there)

<http://www.dnr.state.md.us/publiclands/southern/myrtlemap.html>

Some DNR Facts about Myrtle Grove WMA:

The property contains hardwood forests, wildlife plantings, natural and man-made wetlands and early succession habitats. This 1,723-acre tract is located in the forested bottomlands of Mattawoman Creek and was once home to the Piscataway Indians. Myrtle Grove WMA is dominated by mature upland and bottomland forests consisting of oaks, hickories, maples, sycamores, poplars, beech, and several other tree species. The mature riparian forest along the Mattawoman is home to the barred owl, a species particularly fond of this type of habitat. The barred owl's call, which sounds like "Who cooks for you? Who cooks for you all!" can be heard in the early evenings as the birds' call back and forth to each other. Mature hardwoods, green-tree reservoirs, lakes, ponds, streams, and early succession habitats surround many of the trails and support a rich variety of wildlife species.

*(Charles County continued on page 4)*

(Charles County continued from page 3)

Directions:

Myrtle Grove WMA is located in Charles County about 5 miles west of LaPlata on MD 225. Take U.S. Rt. 301 south to MD Rt.225, about 5 miles south of Waldorf. Go west on

MD 225 to Myrtle Grove WMA on right. From the Capital beltway take Indian Head Hwy MD Rt.210 south for about 22 miles then go east on MD Rt. 225 about 6 miles to Myrtle Grove WMA on left. For additional information contact the Myrtle Grove Work Center at (301) 743-5161

## Howard County

Pat Oliva

Everything that I described in the January newsletter concerning Benson Branch Park has been submitted to the Parks and Recreation Board in January by senior park planner Clara Gouin. Now we practice patience and protocol with firm reminders.

The equine parking lot is complete at the Western Regional

Park but the maintenance building is trying for the record of the slowest building ever constructed. I am still waiting for the go ahead to get the trail construction started

I need help from anyone who rides in Savage Park. It has been over 15 years since I rode in the park and I no longer know the trails. If anyone is willing to ride with me to show me the trails I would appreciate it. Please e-mail me at [patolivatigger@aol.com](mailto:patolivatigger@aol.com).

## Montgomery County 2008 Highlights

Ron MacNab

### Merger of Parks and Recreation

You should be aware that the Montgomery County Council's committee on "Planning, Housing and Economic Development" (PHED) is considering the merger of MNCPPC Parks Department with the Montgomery County Department of Recreation. The merger could take one of several scenarios, but the least desirable is the transfer of MNCPPC Parks to the Montgomery County Government. Unfortunately several council members seem to favor this approach. Work sessions will be taking place over the next several months. If approved by the Council, the matter would then be taken up by the Maryland State Legislature.

I strongly believe that our parks and trails should remain within the MNCPPC. My reasons are as follows:

Under the protection of MNCPPC, and in concert with MNCPPC planners, our parks have had long term security and planned growth. If the park system is transferred to the County Government, it would no longer be shielded from vicissitudes of a politically active government. With a budget deficit exceeding \$500 million dollars, the county could do very little to improve our parks and trails. MNCPPC has just two priorities, parks and planning. The County government has many high priorities competing for time space and money. Parks in the overall scheme of things will be a low priority compared to schools, roads, and a score of responsibilities placed in the County's trust. Parks do not compete well against such priorities. Park land could be sold to pay for budget deficits or used for various public projects such as commuter parking, bus depots, schools and public housing. All are worthy projects, but when we lose park land it is gone forever. It is all too tempting for Council members to take undeveloped land and utilize it for higher density purposes.

I encourage you to write the Council asking that Parks not be transferred out of the MNCPPC.

### Seneca Creek State Park

The managers of Seneca Creek State Park (Kim Lloyd, Dave Powell) are working to present a proposal to the Department of Natural Resources to add ten miles to the trail system. It is doubtful the DNR will be able to fund the project. So they must rely on user organizations to volunteer labor and funds to complete and maintain the trails.

TROT members, Karen Kraushaar and Naomi Manders have agreed to co-lead this effort. Please join me in thanking Karen and Naomi for taking on this responsibility. Most importantly, show them your support by volunteering a few hours of your time.

# Riders to the Rescue

*Tomi` Finkle, Team Commander*

Braving 20 degree temperatures the TROTSAR Mounted Team Inc. hosted Land Navigation (compass course) training exercise at the Blue Ridge Center for Environmental Stewardship (BRCES) on December 14th. This event was also attend by several members of the Top of Virginia Search & Rescue Team from Winchester VA. On February 14th 2009, Mounted Team Members attended training at the Howard County Public Safety Academy to receive First Aid and CPR re-certification. Currently three (3) members of the team are attending the Virginia Department of Emergency Management, Ground Search & Rescue (GSAR) college host by the Frog Level Volunteer Fire Department near Doswell VA.

The Department of Homeland Security, Science and Technology Directorate will be paying tribute to 17 of their employees who are volunteer first responders, during an S&T

Conference held near Seattle, Washington, Feb. 23-27, 2009. TROTSAR Mounted Team Commander Tomi` Finkle will be one of the DHS S&T featured employees in attendance at the Conference. Tomi` and her SAR Horse Magnum will appear on several posters at the S&T conference.

Beginning in March of 2009, the Mounted Team will begin a communications fund drive to replace its entire cache of 24 hand-held VHF radios. Due to upcoming changes in the law, the Federal Communications Commission has implemented a program called Public Safety Narrow Banding, which will make the current team radios illegal to use after 2012. Current project estimated costs to replace each radio/charger/micriphone/battery is \$400 dollars per unit.

See the TROTSAR photo, page 11.

## UPCOMING RIDES

*Pat Talbott, Trail ride coordinator*

- Contact the ride leader to reserve a space on the ride and for information about start time and directions. All ride participants must wear hard hats and be TROT members.
- Membership forms will be available at the ride for non-members. Current negative coggins must be provided for each horse. Bring snack for get together after the ride.

For any additional questions about TROT rides, please contact Pat Talbott @ day (301) 628-4130 evenings and weekends (301) 943-7562 or [ptalbott@insuranceservices.com](mailto:ptalbott@insuranceservices.com).

## TRAIL CLEARING AND MAINTENANCE - COME ONE - COME ALL!!!

*Amy Kimble, Chairman, Trail Maintenance Committee*

Now is the time to show your support for one of TROT's primary missions - trail clearing and maintenance. I am asking for volunteers to join me in our efforts to establish new trails and maintain our existing trails. Right now I am trying to gather a list of people who I can contact when opportunities arise. If you have an interest please drop me an email or phone me and include the following information:

- Your name.
- Contact information (email and/or phone number).
- Whether you want to participate on mounted and/or foot projects.
- Availability (e.g., days of the week, weekends only, etc.) and frequency (e.g., once or twice a month).

---

**Also, see the article below from Ben Sugar, Montgomery County Trails Volunteer Coordinator, and see the Carroll County Coordinator report (page 3) listing other trail projects.**

Hi Everybody,

I hope you all have had a wonderful winter and were able to go out and play in the snow on occasion, either here or further afield. Now that the buds are starting to show up on the trees, it means it's time for me to let you all know about our upcoming trail work schedule, because we need your help, as always! Our season kicked off with a small cleanup on the Seneca Creek Greenway Trail and continues with projects all over, scheduled into early May already.

To view the full schedule or to sign up, please visit the Trail Volunteering link on [www.montgomeryparks.org](http://www.montgomeryparks.org), and follow the instructions to sign-up online. In the meantime,

### Barn Fire Claims Numerous Animals

*Fox News, Thursday, 12 Mar 2009, 12:04 AM EDT*

LEESBURG, Va. - Fire in a barn Wednesday morning at a Loudoun County fox hunting club killed three horses and 17 dogs.

More than 50 fox hounds that were in the barn survived the fire. Six had to be hospitalized. Five others that were burned will be cared for at the club.

### BARN FIRES: SAD BUT PREVENTABLE

*Laurie Loveman, (First Appeared in APPALOOSA WORLD, November, 1984)*

This does not obligate you to participate! But I will contact the group about the upcoming trail projects, and you can let me know if you are available and wish to participate.

Projects in the works:

- April 4, 2009. Currently we are trying to schedule a work day, working with a number of other groups in the DNR property between Rt. 27 and east - exact locations to be supplied later.
- A WSSC project between Browns Bridge and Kruhm Road will be coming up.
- Seneca Creek State Park - we hope to establish some new trails. We will be working with DNR, Friends of Seneca, MORE, EPIC, Road Runners and several others.

More to come!

here's a snapshot of where folks will be working in next couple weeks:

3/21: Upper Rock Creek Trail  
3/28: Wheaton Regional Park  
3/29: Cabin John Regional Park  
4/4: Muddy Branch Greenway Trail

Loudoun County fire officials say it appears the fire was an accident. The property's caretaker Kevin Palmer who runs Fairfax Hunt Club says he was told by investigators the fire started in an old refrigerator in the barn.

Dozens of the Palmer's friends and neighbors came by to see for themselves what happened. Kevin and daughter Tabitha Palmer say they tried to save the horses and all of the dogs but the heat and flames were just too intense.

At mid-day, they buried the horses and hounds in a wooded area behind the barn. The property is called Red Hill Farm. It's on Stone School Lane just outside Leesburg.

## TROT Judged Pleasure Ride

### OPEN TO THE PUBLIC

The Date: June 6, 2009  
 The Time: Registration opens at 10:00 AM,  
 Closes at noon  
 The Place: Agricultural History Farm Park  
 18400 Muncaster Rd  
 Derwood, MD 20855  
 The Fee: \$27 per horse / rider  
**Post entry \$32**  
 The Rules: Hard Hats required .. and ..  
 Current negative Coggins test  
 required

### What is a "Judged" Pleasure Ride?

TROT's Judged Pleasure Ride is approximately 10 miles. Each rider may proceed at his / her own pace; there is no time limit. The trail is well flagged with

surveyor's tape, and safety riders with radios patrol the course until all riders have returned.

Along the trail are set 10 – 12 stations, each announced by a paper plate sign with the station's number. At each station is a patient and kind volunteer who is spending his / her entire day sitting at that spot watching you ride by. (Please thank them on your way through!) Each station is designed to provide some type of trail obstacle one might conceivably encounter on a pleasure ride anywhere in Maryland.

How the rider and horse negotiate the obstacle is judged. In the past, obstacles have included a wooden bridge to walk across, a bag of trash to throw in a trash can, and a lawn ornament cow standing beside the trail.

Please circle the TWO classes you wish to enter, one for the rider and one for the horse (next page).

For the rider: **Circle one class**

1. Junior (riders under 18)
2. Novice (adults who have never placed in a Judged Pleasure Ride)
3. Open (adults)

Horse class on reverse page (**circle one**)

Each judge has been instructed on some general points to look for, as well as particular actions either good or bad specific to that obstacle.

For a good score (7-9 points), a judge would look for the horse that willingly waits its turn at the waiting place (a paper plate sign announcing the next obstacle), proceeds through the obstacle or chore with attention to its job (ears pricked, looking where its feet are going), and whose rider is cheerful, confident, and patient with his/her mount and proceeds through the obstacle or chore with forethought and safety.

**The Prizes:** Oldest horse, Oldest rider, and Youngest rider; Champion and Reserve Champion according to highest scores, 1st – 6<sup>th</sup> place ribbons for each class (see Entry Form for Class List). Also, this will be the 7th year for the Irving Abb Memorial Trophy to the Ride's Champion.

**Bring:** Water for you and your horse and a picnic lunch.

**Questions?** Call Ride Manager Marilyn Miller.

**Wet trails?** Call for cancellation information

## Need a ride/Share a ride!

Do you have a two or three horse trailer, but don't like traveling alone? Do you have a horse, but no trailer? TROT organizes some great trail rides throughout Maryland. It would be a shame to miss those fun times because you don't like to travel alone or because you don't have a trailer. We want to provide a forum space for people looking for a traveling partner, so please write to the TROT Newsletter at [nlogood@verizon.net](mailto:nlogood@verizon.net).

You just might find someone who lives around the corner from you who would love to share a ride (and with gas prices the way they are, someone who might be willing to share expenses)!

## DON'T FORGET TO RENEW YOUR TROT MEMBERSHIP!

*Nancy Osgood, editor*

I think that everyone understands the importance of a robust and active membership in TROT. Numbers matter! Please be confident that you are important in our efforts to preserve bridle trails and equestrian easements. And, also please be confident that the TROT Board is vigilant in the way it spends its funds – which is why we have been able to maintain our low annual dues. A special thanks to our **Contributing Members** and **Sustaining Members**, and those who have made additional contributions. You have chosen to make a bigger financial commitment to TROT, and your extra contribution is greatly appreciated. Please see the list of these special members on page 7

## COMPELLING TESTIMONY FOR WOODSTOCK EQUESTRIAN PARK

*Nancy Osgood, Editor*

Last issue of the TROT Newsletter (Number 172) included a report of Pat Oliva's testimony at the Howard County Recreation and Parks Advisory Board to save equestrian access to Benson Branch Park. Appearances such as this really impact the future of trail riding throughout Maryland. We are printing below (with permission) the testimony of Jenny Searles at the March 3, Montgomery County Council Meeting, where the funding for Woodstock Equestrian Park was on the agenda. We think everyone should be inspired by Jenny's presentation – if a 10-year old can make such a strong appeal for our riding future – we all can!

“Good after noon. My name is Jenny Searles. I am 10 years old... I am here today representing the Montgomery County Horse ~n ~around 4-H club.

The families in my club and I want you to vote in favor of funding phase two of Woodstock Equestrian Park.

I have ridden my pony, Cherokee, at Woodstock many times with my family and friends from my club. It is a beautiful and safe place to ride. There are bridges in Woodstock that are good practice for a horse to go over. I have seen owls, hawks, foxes, deer, and lots of beaver ponds, but no beavers yet.

Over the last 5 years, my 4-H Club has held our annual trail ride fundraiser for St. Jude's Children's Hospital at Woodstock Equestrian Park. In those trail rides, we have raised \$9797.00 for this charity. Other club members and I often go to the park on the weekends or on days off of school and ride in groups of 4 or 5.

One of the parents in my club told me that when she was my age, she was safe crossing roads and riding along them to get to trails. But now, with traffic and population, she would never allow her daughter to explore like she used to. At Woodstock, she can allow her daughter to explore the woods freely with her friends.

She and other people in my club feel that the new, as well as the current, facilities at Woodstock will be used even more as development in the county continues and traffic increases.

With the proposed show rings and cross country course at Woodstock, my club leaders and members look forward to holding clinics and drill team practices, among other things, at the facility. It is difficult for us to find places to do events such as these because riding facilities are very expensive to rent, and we have difficulty finding places with sufficient parking for all of us to bring our horses.

I hope that you will consider all that I have said and vote in favor of the Phase II funding for Woodstock Equestrian Park.

Thank you.”

Ahhh Spring! This issue of the Newsletter has what everyone has been waiting all winter for – the list of UPCOMING TRAIL RIDES. Turn right now to page 5 to see the list – and start marking your calendars. A huge THANK-YOU to Pat Talbott for taking on the task of trail ride coordinator for another year. Pat did such a great job last year – we had a nice slate of rides and there was a great turnout for the rides. So, now that Pat has done all the work – all you need to do is show up and ride! For anyone that has not participated in one of the TROT rides, this is the year to just do it! They are a lot of fun. But you also get to explore trails that you might not be familiar with and to connect with other TROT members. Be sure to sign up early and to coordinate with the ride leader. And don't forget – all riders must be TROT members (but you can join at the trail ride), and you must bring a negative Coggins with you to the ride.

See you there!
