TROT WANTS YOU!
TROT Board elections will be held at our Annual Dinner on February 11, 2012. This is an all volunteer Board. It does not require special knowledge or abilities, just energy, dedication and an active interest in preserving equestrian trails and promoting trail riding. The Board oversees the governance of TROT. Board members tend to be our best volunteers and often lead TROT activities. Board meetings are held from 7 to 9 PM on the first Tuesday of each month.

If would like to join the Board or find out more about it, please contact Kyle Jossi at 301-570-3860 or email her at bossyjossi@verizon.net

Below are the relevant sections of our bylaws regarding the election and duties of the Board.

Annual Meeting. There shall be an annual meeting of the association during the first quarter of the membership year, unless otherwise ordered by the Board of Directors. The purpose of the annual meeting shall be to hear reports, and for the nominating committee to present a slate of directors for the coming year.

Election. The election of a Board of Directors shall take place at the regular annual meeting. Only members of legal voting age shall be entitled to vote on the slate of Board members presented by the nominating committee.

Terms. A Director shall serve for two (2) calendar years, beginning with the first board meeting after the regular annual meeting. The term of office may be extended an additional two (2) years if so desired by the Director. Upon completion of four years, a Director may make their candidacy known to the nominating committee and stand for reelection. To maintain office, Directors are required to attend, in person or by phone, a minimum of 75% of the board meetings held in a 12-month period.

Duties. The Board of Directors shall have supervision, control, and direction of the affairs of the association, execute the policies and decisions of the active membership, actively promote the association’s objectives, and have discretion in the disbursement of funds. It shall also determine the minimum amount of annual dues required for membership in the association. It may adopt such rules for the conduct of its business as shall be deemed advisable, and may, in the execution of powers granted, appoint committees or agents to work on specific problems or reports. The Board shall report to the membership on its activities at the annual meeting. It shall meet on the call of the President or the Secretary or on demand of 20 members of the association.

**TROT Ride - Patuxent State Park Ride.**
Sunday August 21, 2011 - Ride leader Lisa Troutman

*Lisa Troutman*

Before the ride Amy Kimble, Ron McNab, Kent Middlekauff and I, cleared a 2 mile section of trail from Georgia Avenue to Howard Chapel Road. The day of the ride was great weather calling for thunderstorms in the afternoon. Joyce Frank, Pam Howard, Sharon Cappeluti, Kent Middlekauff and I met at the parking lot off of Georgia Avenue and rode across Howard Chapel Road to Elton Farm parking lot, across the Patuxent River to trails that border Jennings Chapel Road and back again. We rode for about 3½ hours and over 12 miles of trail of beautiful trails that went through woods and open fields. The trails go near the Goshen Hounds and across the river to the beautifully maintained trails by the Iron Bridge Howard County Hounds. We left the parking lot just as a thunderstorm was approaching. Everyone had an enjoyable ride.

*Nancy Osgood*

TROT is dedicated to keeping its members informed and entertained by issuing this bimonthly Newsletter. We recognize that more and more information is being accessed electronically and that electronic distribution can save money for printing and postage. 1. Hard copy in the mail, or
2. Email with a color edition PDF attachment to view or print, or

If you would like to change your Newsletter format to electronic only, please contact Margaret Scarff, our membership chair, by sending her an email: mdanews@aol.com. Put in the Subject Line: TROT News Electronic Only, and be sure to include your full name in the body of the email (not just your email address). Please be sure to indicate your preference on your 2011 TROT renewal Application. See Page 13.

Montgomery County Report
by Ron MacNab

Little Bennett Regional Park

Trails are open again after the recent storms. However, the bridges are out at Wilson Mill and Beaver Valley. Also, the bridge at Kingsley School House is closed. Signs have been posted at all trailheads to be alert for possible storm damage as there are still some trees down and eroded trail areas due to runoff.

Also, portions of the Dark Branch Trail in Little Bennett Regional Park are closed due to damage and environmental resources concerns. In the future, please use the Pine Grove Trail to access the Western Piedmont Trail from the Prescott Road parking area.

Be careful when riding on bridges and wooden walkways. Wet leaves are slippery. A few weeks ago a horse fell and was injured.

WSSC Trails Update
Barbara Sollner-Webb

Wonderful TROT members continue working to encourage the re-opening of WSSC’s environmentally sound Rocky Gorge equestrian trail -- including many eloquently testifying at WSSC’s November Commissioners’ Meeting. Since our last report, a number of elected officials and their spouses have ridden the equestrian trail with us and have all been impressed that it is minimally eroded and does not run along the water. They have also noted the steepness and bad erosion throughout much of the access road (a.k.a. "firebreak", to which WSSC has officially moved summer riding). These elected officials say they will help our cause, and we believe their intent, but the political process may take unfortunately long. Several WSSC Commissioners also appear sympathetic.

In the interim, TROT members made a major environmental offer to WSSC. The idea came while riding WSSC’s access road and noting its badly blocked culverts -- these should carry water below the road, These wash-outs deliver much more sediment directly into the reservoir than could ever come from the equestrian trail, so TROT members offered to clear the culverts. WSSC held a reservoir cleanup. The effort (attended by 14 TROT members, including TROT’s president and many on TROT’s board, plus one other local resident and three WSSC employees) was extremely successful: we re-opened three badly blocked culverts and re-routed a damaging spill-over. The following month, WSSC held two more culvert work-sessions that were very well attended by numerous equestrians and others, and again were successful. Re-opening blocked culverts and thereby averting impending wash-outs of the access road is very rewarding, and hopefully it will show WSSC that equestrians do care about the reservoir and are willing to participate in its stewardship.

While this WSSC trails process continues to play out, please continue to notify your elected officials that you do care, and please also come out to WSSC’s culvert re-opening sessions planned to resume next spring.

Please Welcome TROT’s New Members

Lisbon, Maryland Holiday Horse Parade
Contributed by Pat Oliva

An Old Fashion Holiday Horse Parade was held in Lisbon, Maryland, on December 10 – and TROT was there! The parade was held for a great cause – proceeds benefited the Howard and Carroll County food banks. As our own Pat Oliva said “the parade was unbelievable – over 250 horses! Anne Bennof came up with the idea of everyone wearing TROT jackets - and we sure looked smart! “What a great way to celebrate the holidays!”
TROT Ride - Anacostia Park
Saturday November 26th, Ride leader John Angevine
Lisa Troutman

This was a great TROT trail ride that closed out our ride season. There were 14 riders that attended the ride. We parked at the ice skating rink in College Park and rode almost all the way to DC. We were all amazed with the spacious trails and beautiful scenes along the Anacostia River so close to downtown DC. The trail is along a mixed use trail that had some asphalt, went under and over bridge passes and through some open grassy ways. We encountered hikers, bikers, and several children that were thrilled to see us. We also saw blue herons and ducks along the river. The trail provides a scenic view of the historic Lincoln Cemetery. It’s a wonderful ride so close to DC inside the beltway.

The TROT license plates are in, we have ours and they look great! Many thanks to Susan Railey who worked very hard and navigated the bureaucracy of the Motor Vehicle Administration to get our great organizational plates with the TROT logo. If you missed out – it is not too late. Email Susan (susanrailey@verizon.net) and she will get an application to you. Return the completed application to her with the fee (only $25), and she will forward it on to the MVA.

Oh – and be sure to honk and wave if you see a fellow TROT member on the road!
TROT Rides: A look back over the 2011 Trail Riding Season
Lisa Troutman

Thank you to all the trail ride leaders for 2011! With your help and dedication, we had a very successful year. We had 18 planned rides. Our trail ride leaders were Suzanne Anderson, John Angevine, Andrea Caplan, Jacquie Cowan, Jeff Dwyer, Nancy Harmon, Terry Ledley, Naomi Mander, Deneen Martin, Marilyn Miller, Karen Penharlow, Mary Prowell, Christiane Ritcher, Katie Tessier, Lisa Troutman, Barbara Sollner-Webb and Denis Webb. Unfortunately this past year we had wet, rainy conditions both in the Spring and Fall that limited some of our trail rides. We also had extreme heat in July that prevented the Cordorus State Park ride from going on as planned. Look for a makeup ride next year!

In 2011 we had rides in Montgomery, Howard, Carroll, Prince Georges, Anne Arundel, Harford, and Baltimore Counties. The rides varied from our largest ride at Liberty Reservoir with 24 riders, to our smallest rides, at the Naval Academy Dairy Farm and Patuxent State park with 5 riders each. The larger rides always had multiple groups, typically a walk only group, a walk/trot group, and a faster group. The smaller rides pace was based upon the participants with most being walk/trot. Many rides included a pot luck lunch or a gathering afterward to share stories about the trail or other riding stories. It’s a great way to meet other people that share the same passion of trail riding.

Please consider being a trail ride leader in 2012. We encourage you to lead a ride on any trail system you would like to share with others. The more trails TROT knows about, the more we can help protect them. You can specify the ride any way you like. This includes pace, distance and number of participants. Please contact Lisa Troutman at cat.home@verizon.net or at 410-489-5101 if you’d like to lead a ride in 2012.

**Do you have a second horse?**  I'm a new member of TROT and very interested in joining in on some of the trail rides, but I'm only leasing a horse right now and he doesn't trailer very well. Also, I don't have my own trailer. So I am interested in any members who might have a second horse they'd like to get out and about on the trails. I'd be happy to share expenses, etc., and I do have my own tack.

one of my horses and tack. All the rider needs to do is wear weather-suitable clothing, boots and a helmet and be prepared to walk/trot for one to four hours depending upon the fitness of the horse. More than one rider may be part of the schedule as I ride every day and not everyone has that kind of time. I ride most weekends and weekend riding involves taking two horses out, then returning to my farm and picking up the other two. During the week I ride Monday, Tuesday, Thursday and Friday in the mornings (and sometimes start in the dark) as I don't turn on my laptop to start work until 9:00am or so. On Wednesday I ride from 4pm until dark.

I primarily ride on the C&O canal and occasionally at Woodstock or Sugarloaf Mountain. I also live on a 215 acre farm where we can also ride depending on the hunting seasons. I have a diverse group of horses (Shire/Drum, Haflinger, Appendix and Kiger Mustang) and all are quiet and dependable....they just need miles as two of them are being legged up for endurance.
