TROT ANNUAL MEETING AND SILENT AUCTION
Priscilla Huffman, Annual Dinner Coordinator

On Saturday, Feb 11, about 110 TROT and family members gathered at the Mt. Airy Fire Hall for our annual dinner and silent auction. Thanks to a tireless group of volunteers, the dinner was a great success. There’s always lots of time to catch up on trail and horse news with other riders, and pick up some good bargains as well.

Ron MacNab reviewed highlights of the last year, which included TROT’s representation on the Maryland Horse Council and the Maryland Horse Industry Board, as well as participation on Maryland’s National Recreational Trails Grant selection committee. He announced that Pat Talbott is the President-elect for the coming year, to be voted in at the next meeting. A vote was taken at the dinner to approve three new board members: Barbara Sollner-Webb, Maria Schwartz, and Br. Roger Nelson.

The silent auction brought in over $1,500 with many contributions of merchandise, used tack and other items. Chris Ritcher and her husband Will Ritcher did a top-notch job with the silent auction and Chris has agreed to coordinate the auction for next year. TROT logo clothing was also available for sale at the dinner.

Many other members helped make the dinner a successful event, including Sim Shanks, Nancy Osgood (who created the beautiful centerpieces and gift baskets), Janet MacNab, Dick Huffman, Barbara Sollner-Webb, Lisa Troutman, Margaret Scarff, Susan Railey, Maria Schwartz, Pat Merson, Ingrid Gentry, Pat Talbott, Susan Gray, Mike Caruso, Amy Kimble Pat Oliva, Kyle Jossi, and Gail Suter.

Gail is a brand new TROT member who called just after joining to volunteer with the dinner set-up, and she was a bundle of energy. Thanks, Gail, for supporting your new organization!

We welcome your suggestions on how we can make the annual dinner even better, so please send ideas to any board member or officer. Board contact information is available in the newsletter or our web site www.trot-md.org.

The theme of the March Newsletter is "Don't Ride on Wet Trails." See pleas from Amy Kimble, our Trail Coordinator, (p. 3), and Kyle Jossi (p. 9). If you know of areas where the trails are usable during the spring and wet weather, please email me at nlosgood@verizon.net. So far, we know that riding is always good at the North Tract (see page 4), and on some trails in Schooley Mill Park in Howard County.
President’s Message
Ron MacNab, President

Many thanks to Priscilla Huffman and Christina Ritcher for organizing the Annual Dinner and Silent Auction. And of course, thanks to the many volunteers who helped them. TROT activities are a group effort. If you have not joined in before, make it a point this year to speak up and assist with an activity. It is a rewarding experience.

Each year, the Annual Dinner is a time for the election of several new directors and the retirement of others. This year, the membership elected Br. Roger Nelson, Maria Schwartz and Barbara Sollner-Webb to the Board of Directors. I have known them for many years, and couldn't be happier to have them on the Board. They are smart, active and fun to work with. We are very fortunate to add them to TROT's Board of Directors.

Bev Fox, Susan Grey and Priscilla Huffman retired from the Board this year but will remain active members. Their contributions to the TROT over the last few years are immeasurable. Bev moved to North Carolina last year but participated in Board meetings by conference call. Bev designed the cover of our brochure and our new license plate. Susan was our legal counsel, advocate. and organizer of numerous events. Priscilla Huffman was an outstanding president of TROT for five years and remained on the Board for another three years. Her leadership and organizational skills contributed to nearly every activity of TROT for past eight years. We will miss them at the Board meetings but fortunately will be keeping them as friends and riding partners.

I will be stepping down from president in March, but will remain on the Board and continue to be the Trails Coordinator for Montgomery County. I am honored and appreciative of having served as president of TROT and will continue to be a advocate for equestrian trails in Maryland.

I am very happy to say that Pat Talbott will be TROT's new president. She has been an active volunteer and Board member for many years. Pat is very organized and capable. TROT will flourish with her as president. Please join me in welcoming her.

Silent Auction
Christiane Ritcher, Silent Auction Coordinator

Thanks to the generosity of our members, the annual Silent Auction was a success – we made over $1,500.00!

Thank you to all TROT members who searched their homes, their barns and their hearts for donations. Volunteers are essential to make this event come together. So, many, many thanks to Pat Oliva, Amy Kimble, Susan Railey, Gail Suter, Barb Sollner-Webb, Kyle Jossi, and my husband, Will Ritcher. I know I am missing many wonderful volunteers; I am no less grateful for their help. What a great experience this was and I am looking forward to repeating it next year.

The following businesses generously donated merchandise and gift certificates to the Silent Auction. Please remember them when making your equine purchases.

**WSSC Trail News Update**  
*Johnnie R. Hemphill, Jr., Chief of Staff, Washington Suburban Sanitary Commission*

Mr. MacNab

I wanted to update you on the status of the effort to engage a consultant to provide input and advice on protecting the Rocky Gorge and Triadelphia watershed area. We recently issued a Task Order to EA Engineering, Science & Technology, Inc., for the Patuxent Watershed Protection Study. This is intended to be a broad-based review that will support the entire community’s interest in protecting source water (Rocky Gorge and Triadelphia Reservoirs) and the surrounding property. As you know, we want to focus the engagement on how we can work toward a more robust watershed management and protection strategy, while considering the concerns of all the various stakeholders who have traditionally been granted limited access to the property.

**Trail Clearing**  
*Amy Kimble, TROT Trail Work Coordinator*

I want you to think about the following when you enjoy the trails this year:

Should I be riding today in this location? Could I be damaging the trail for the future? Is it too wet?

Could I trim areas that are getting over grown without taking away from the pleasure of my ride or should I report that the trail needs work to AmyHkimble@aol.com? (In the Spring we trim a lot more aggressively in anticipation of a lot of growth. The trail should be at least 5 feet wide where you are impacted when mounted.)

**VERY IMPORTANT** - Record time spent working and/or report hours to Amy Kimble- the trail system uses these volunteer hours to financially support the parks to keep them open.

I will report areas that are boggy or need a chainsaw or that are eroding.

**DO NOT MAKE RE-Routes** - These need to be approved by park personnel.

It is easy to carry a small folding saw and clippers in a fanny pack, a small back pack or in your saddle bag. Then you are prepared to trim, along the trail.

**TENTATIVE MOUNTED TRAIL CLEARING for the Spring of 2012**

- 3/10 Saturday 10AM- Annapolis Rock Patuxent DNR
- 3/25 Sunday 2PM - Browns Church Rd./ Long Corner - Patuxent DNR
- 4/14 Saturday 10AM- Rt. 97 area Patuxent DNR
- 4/21 Sunday 2PM Earth Day - Catoctin Nat’l. Park/ Little Bennet
- 5/12 Saturday 9AM - Union Mills

Trail clearing will be done in small groups of 2 or 3 people. People familiar with the trail system will be asked to go out with someone who is not. This is excellent training for young horses and those that are not yet fit enough to go out on a 3 hour ride. We usually work for 1.5 - 2.5 hours.

Any questions please contact Amy Kimble- TROT Trail Work Coordinator AmyHkimble@aol.com 301-748-8310.

THANK YOU for Sharing my Passion!

Introduction to North Tract – Saturday March 31 (rain date April 1).

Ride Leader Barbara Sollner-Webb

We will have a TROT ride at the "North Tract" of "Patuxent Research Refuge" (part of the U.S. Fish and Wildlife Service, formerly known as the "Fort Meade Trails") in eastern Laurel, MD. This vast tract is part of America's only wildlife refuge devoted to research, established in 1936 by President Roosevelt, but it also offers wildlife-related activities including horseback riding, hiking, biking, etc. [These other users are generally very respectful of horses.]

We want to familiarize TROT riders with this great resource, because the trails and road shoulders are impressively sturdy (on old packed-stone base). This makes North Tract one of the few area venues you can safely ride when the ground is soaked, without causing trail damage. Thus, riding here after wet spells preserves "your" local trails.

Our ride will cover much of their almost 10 miles of rather scenic, hard-packed dirt/gravel woods trails. These are flat with no stream crossing, so good for out-of-shape and/or green horses, and are generally soft enough for tender bare-footed horses. [North Tract additionally has almost 10 miles of asphalt-covered road with wide, grassy shoulders that also are good for riding, even when the ground is wet.]

One group will be walk/trot with a limited number of controlled canter runs, and hopefully there will be another all-walk group. After the (~3 hr) ride, we can enjoy lunch (bring your own; we will provide sodas and desert) on the visitors' center outdoor seating.

Hope to see you on the ride.

To sign up for the ride (and learn the starting time!), call me at home (301-604-5619) or work (410-955-6278); or e-mail bsw@jhmi.edu

p.s., notes about North Tract:

- Enter from Rt. 198, 1 1/2 mile east of B-W Pkwy (1 mile west of the the Rt. 32 interchange), at the "Patuxent Research Refuge" sign. Proceed south to the visitors' center, to park. [The lot is normally plenty large, but with the hoped-for turn-out, it could be tight, so I will direct you (park close to each other, with overflow along an abutting road).]
- To use the trails, you need to register in the visitors' center (it is free). [They have bathrooms (also outdoor faucets, that in summer can be the best place to get horse water).]
- North Tract hours are 8am to 4pm daily. [But before going in hunting season call (301-776-3090), because some days are closed.]

Woodstock Park Sunday, May 20, 2012

Ride leaders Lisa Troutman and Andrea Caplan

Beautiful trails along grassy fields, in the woods, and some gravel roads. There are stream crossings and several wooden bridges. The ride will be 2 – 3 hours, at a medium pace (walk and trot). Bring water for your horse as there is no water at the trailer parking area. Please bring a lunch and chair for afterward. Ample parking on west side of Rt 28. Event will be canceled if we have significant rain 48 hours prior to the ride. In the saddle at 10 AM.

June

Liberty Reservoir – Saturday June 30,

Ride leader Mary Prowell

This ride will be a combination of a dirt fire road that goes around Liberty Reservoir and some woods trails that connect to it. The footing is mostly good although there are some rocks on the fire road and part of the woods trail is not well used. There will be a break for
lunch or snacks around noon. The pace will be walking and trotting with a possible canter depending on the size and abilities of the group. The Reservoir is a pretty place to ride with views of the water and through a mostly deciduous forest. There can be hikers, bike riders and sometimes motor bikes on the fire road so horses should be able to deal with those things. Plan to be out for 2 ½ to 3 hours. In the saddle at 10 AM. Location/parking: Park on Deer Park Rd.

Contact Mary Prowell at 301-829-7709 or email boprow@aol.com

August

Codorus State Park, Hanover, PA – Saturday August 18, 2012  (Make up date Saturday August 25, 2012)  
Ride leader Nancy Harmon

Horseback Riding: 8+ miles of trails. Ranger Trail travels over rolling hills, through forests and fields, crosses streams and passes near Lake Marburg. There are many views of the lake, including Ranger Overlook which has benches and hitching posts. The ride will be about 2 hours, at a fast walk. Plenty of water. Mostly ride in the shade. Shoes not needed. Beautiful views of lake. Places where you can ride your horse in to cool off. Great parking, port-a-potty, picnic tables and near enough to water to take your horse in after wards and sponge him down.

We will have a cook out when we return around 6:30 pm.

http://www.dcnr.state.pa.us/stateparks/parks/codorus.aspx

Directions:  If coming from Frederick or Montgomery Counties: Get yourself to Hanover, PA however is best for you. From PA 116, go through Hanover. Turn right onto PA 216 east and go three miles to the park. Cross 3 bridges and turn onto Sinsheim Road (only one way you can turn) immediately after the 3rd bridge. Follow signs for trailer parking. The 40-trailer parking lot is off of the Main Launch Day Use Area entrance road.

Ready to Ride at 4 pm

Contact Nancy Harmon Cell 301-639-4448 email: horsingAroundHoney@hotmail.com

October

Agricultural History Farm – tentative date: Saturday, October 6. In the saddle at 10 AM.  
Ride leader Christiane Ritcher

Come and see the Agricultural History Park in the fall. It is a beautiful place to ride with its mowed grassy paths and forest trails. There will be creeks, woods, open fields and bridges. The pace will mostly be walking with a little trotting so you can relax and enjoy the beautiful scenery. There are streams in the park for your horse to drink from but no water at the parking lot so plan accordingly.

Your horse will not need shoes or boots. Bring your sandwich and chair. There will be hot cocoa, sodas, water, and pumpkin bread.

Location/parking: Agricultural History Farm, 18400 Muncaster Road, Derwood MD. Drive to the end of the long asphalt driveway where it dead ends at the parking lots around the Cooperative Extension building. Turn left onto the gravel road and park in the grassy area by the asphalt parking lot.

Contact: Chris at 240-393-1217 or email lapado2000@gmail.com

October 27, Saturday

This ride will be a 2+ hour loop, at the walk with perhaps a jog, and returning to the trailers for lunch. Come in Halloween costume! Bring something to share, and we’ll set up a table under the awning and can even boil water for tea, coffee, or cocoa.

October 28, Sunday

This ride will be about 4 hours long, moving briskly at gait/trot. Come in Halloween costume! Please bring a lunch you can pack on your saddle.

Both Days: The trails are hilly but not too rocky. There will be river crossings and, depending on the rainfall, mud or dust. Bring water for your horse as there is no water at the trailer parking site. These are joint rides with the Chesapeake Plantation Walking Horse (CPWH) club. On each day the pace will accommodate the least experienced rider. If you want a slow easy ride, please come Saturday. If you and your horse are eager to cover some ground, please come on Sunday. You must be a member of TROT or CPWH to participate.

Both Days: Ready to Ride (RTR) at 10:00 AM. That means IN the SADDLE. Please call or email Suzanne so she can provide further details, keep a head count, and take your phone #s in case of last minute changes.

Contact: Suzanne in the evenings at 301. 829.3881 or email trailsendfarm@verizon.net

November

Anacostia Park – Saturday November 24.  
Ride leader John Angevine

This is a favorite TROT ride that closes out our ride season. Folks who have attended this ride say they are amazed with the spacious trails and beautiful scenes along the Anacostia River so close to downtown DC. The ride may encounter bikes, fishermen, some asphalt, as well as a scenic view of the historic Lincoln Cemetery. Ride leaders will provide water and granola bars.

In the saddle at: 10:00 am, Contact John at 301-937-0014

Montgomery County

Parks and Recreation are examining and revising their 2005 Park, Recreation and Open Space Plan (PROS). The revised plan will take into account progress in achieving 2005 plans and taking into account new needs and realities. The PROS plan is in draft phase and while under study. Listed below are some of the highlights of the study.

"Use of hard and natural surface trails is the County’s most popular recreation activity according to the respondents of the 2010 Vision 2030 Survey. Sixty-eight percent of the respondents reported using both types of trails, and nearly 75% considered them very important to their household. In addition, trails ranked highest on the survey as to overall importance of adding, expanding or improving facilities. There are 60.7 (to be verified) miles of existing hard surface trails and 128.3 (to be verified) miles of natural surface trails in the County. These figures include both major and minor trails, including connectors, and only include trails owned and operated by M-NCPPC." Parks also plans to:

- Expand the distribution of multi-use trails
- Look to increase access to existing trails that are over ½ mile apart in high density areas
- Re-examine planned regional trails as part of the CWPTP Amendment
- Convert limited use trails to multi-use where appropriate
- Identify and fill gaps in regional trail system

Parks invited advocates representing hikers, bicyclists, mountain bikers, equestrians and open space groups to participate in a "Trails Work Group" to discuss trail plans, and obstacles to plans. We meet each month for three hours with Parks staff to discuss issues and share points of view. These meeting are extremely helpful to not only express our views to Parks staff but equally important to learn from them and other advocates in the group.

Howard County
Pat Oliva

There is no news on Benson Branch. I keep knocking on the door. Iron Bridge/Howard County Hunt has done a great job of opening up the trails in Patuxent State Park. I have heard a number of complaints about the trails in this park. Now that the hunt season is almost over it is our job to keep the trails open. The briars are getting green and stretching their branches across the trail. The wind is blowing deadwood over the trails.

No one can make it passable but YOU. Stop and prune the briars and clear off the branches.

I hope some day it will be dry enough to ride the Western Regional Park trails. To get to the horse trailer parking lot - take Carrs Mill Road off of Route 97, and take the second park entrance (which will be on your right). Please don't use the first entrance, which leads to the ball fields and car parking areas.

St. Mary’s County:
Kathy Glockner

The state purchased 700 acres from the Jesuits several years ago and have left the property relatively untouched except for several small gravel parking lots. The property is surrounded by water and a beautiful equestrian use area.

The state has received some grant funding but it appears the funding was given for projects that have not been planned. I understand that a formal public meeting is forthcoming and will attend to express support for equestrian access. There has not been any objections thus far about equestrian access and I hope that we can mobilize volunteers to assist in maintaining trails. There are no trails on the property now and the wooded area needs them in order to traverse the property.

THANK YOU from Amy Kimble

I would like to THANK the TROT BOARD for voting to allow me to attend the Southeastern Equestrian Trail Conference on behalf of TROT. I will be happy to share the information I obtain from the conference. I would not be able to attend without the support of TROT so I am very grateful. Trails are my passion and I am very excited about this fantastic opportunity.

C&O Canal Pride Days 2012
*Forwarded by Priscilla Huffman*

C&O Canal Pride Days is the largest volunteer event in the park and is a great opportunity to enjoy the outdoors and show pride for our neighborhood national park while raising awareness of its ongoing stewardship needs.

Join us for the 5th annual C&O Canal Pride Days this spring! A wide variety of projects along the canal are scheduled to take place over three weekends:

**Saturday, April 21:** Celebrate Earth Day by helping us kick off Canal Pride Days 2012! Revitalize the campground at Marsden Tract or lay a new trail way and improve landscaping at the Great Falls Tavern.

**Saturday, April 28:** Build trails and revamp picnic and recreation areas at Big Slackwater near Dam #4.

**Saturday, May 5:** Spruce up Lockhouse 70 and the canal at Old Town just in time for the annual Battie-Mixon fishing rodeo.

Advanced registration is required through the Canal Pride Days website: [http://www.canaltrust.org/trust/canal-pride-days.php](http://www.canaltrust.org/trust/canal-pride-days.php). For more information on volunteering for Canal Pride Days, contact Becky Curtis at [curtis@canaltrust.org](mailto:curtis@canaltrust.org) or 301-745-8889.

Horse Dreams
Sybil TenEyck

Most horse-related dreams of a child are squashed by a parent that pulls the ‘wallet’ card. “We can’t afford it” translates to “I’m afraid of horses and you’ll get injured.” Children get injured when they are drawn to horses without parental supervision, i.e., sneaking into the neighbor’s field to steal a ride. Usually doesn’t turn out well because Black Beauty never acted like that! A series of twelve lessons can be the defining moment for a child. Either satisfies the desire or sets them on a goal for the rest of their lives.

A child can be very proud of their accomplishments, but without approval from a parent, will feel like it’s not good enough. Parents might go to their kid’s lesson, but are on the phone, or waiting in the car. Others just drop them off to do other things.

I now have the pleasure to ride with multi-generational families and disabled Veterans because horses are the bridge, the unifying athlete that brings them all together, equally. Hilarity and memories ensue.

Life is full of ‘what ifs’ and it’s harder to learn to ride after 50. Of course I now realize that so many times I could have gotten hurt or killed, but had an awesome mare that took special care of me. At the time I didn’t know.

I took lessons as an adult for years, but still have the horrible habits developed as a child that had a pony and no guidance.

The ‘over-50 generation’ had lots of opportunities to ‘see’ horses every Saturday morning – 1/2 hour shows were cranked out for our consumption. Westerns were very popular, too. The following decades were mostly devoid of horse-themed entertainment and a whole generation not exposed to ‘horse-fever’ and their kids are even more removed from it.

I honestly feel it is my duty to be as friendly, outgoing and approachable while out on the trail with my little man. He is a real ‘people-person,’ too, and expects to have everybody pet him. I can’t tell you how many admit this is the closest they have ever been to a horse. Some act like we are riding Tigers.

If we don’t spark the interest in horses, who will? Who will save the Equines?

SPRING RIDING – GETTING STARTED
Kyle Jossi

For many of us, winter is a time to take a break from riding. Before hitting the trails in the spring, take a few minutes to think about some things that might not be of concern other times of the year.

Trails are easily damaged when wet and don’t dry out as quickly as they do during warmer times of the year. Every consideration should be given to staying off wet trails. Otherwise you will ruin them for other riders. When trails are wet, I highly recommend North Track, near Ft. Meade. These trails are always rideable no matter what the weather has been.

Be alert for newly planted farmer’s fields. Stay off of them or stay on the unplanted edges.

When trailering, be considerate and pick up all the manure that your horse leaves around the trailer. Last week we were at Schooly Mill and a mom who was there with her daughter’s two ponies drove off, leaving an incredible amount of manure in the parking lot. It looks bad for all horse owners when someone does this.

Be careful of where you park your trailer. The ground is much softer this time of year and it’s easy to get stuck.

Most of the trails don’t get as much use over the winter and limbs or even trees may have come down. Put a pair of clippers and a small hand saw in your trail pack. Clear trails as you go; it’s much easier now before the spring growth comes in. If you find that a public trail is impassible, contact Amy Kimble, Trail Maintenance Coordinator at AmyHKimble@aol.com. Also be alert for new holes and ruts that have developed over the winter. If possible, mark them with branches or trail tape to alert other riders.

Although horses have the right of way over bikers and walkers, always remember to be considerate. If it’s obvious that a biker or hiker doesn’t know this, educate them diplomatically.

Check all your tack to be sure it hasn’t dry rotted and that it still fits a horse that may have lost or gained weight over the winter.

Be aware of your horse’s level of conditioning. The following comes from the June 2011 edition of Equus, “If your horse has been relatively inactive for more than eight weeks, his muscles and tendons aren’t as strong or as flexible as they were last time you rode. Start off with trotting and add loping or cantering in the following week.”

If you are trailering, be sure to bring water for your horses with you. Many public areas don’t have their faucets turned on until the risk of frost is past. Your horse will be especially thirsty if it’s a warm spring day and they still have a lot of their winter coat left.

Be sure you’ve sent in your TROT renewal so that you can participate in the scheduled TROT trail rides.

**LOOKING FOR RIDING BUDDIES and NEED A RIDE/SHARE A RIDE**

This section of the Newsletter is for folks who are looking for riding partners – either for meeting up on the trail or for sharing a trailer ride.  Linking up with other trail riders is fun – and economical!  We want to provide a forum space for people looking for a traveling partner, so please write to the TROT Newsletter at nlosgood@verizon.net.

**Looking for a horse**  to go on TROT rides. I would like to ride your horse (if you have an extra one) on a TROT trail ride. I rode for 20 years, but have not recently. I am in the Ellicott City/Catonsville area. I would be happy to share all expenses.  Contact: Susan Doukas 443-842-0811 . email: sdoukashorse@yahoo.com

from the Newsletter Staff

It’s Spring! After two terrible riding winters, we finally lucked out! Even the fair-weather folks (like us!) have been out riding all winter. So we all (horses and riders) should be fit and ready to go on some nice organized trail rides. Our trail ride coordinator, Lisa Troutman, has already lined up some of our favorite rides – the first one is this month! Lisa is still looking for people who can lead rides this year. Please consider volunteering to lead a ride through your favorite trails – it is a great way to meet other riding enthusiasts – and to really contribute a great service to TROT!

Thank you to our new members and to our renewing members! Many new folks heard about TROT at the Maryland Horse World Expo held in January. Some enthusiastic TROT members staffed our beautiful booth – and spread the word about our dedication to trail riding. We gained a number of new members – trail riders that share our determination to preserve equestrian trails throughout the state. Welcome! Please don’t ever forget that our strength is in our numbers – and in our dedicated volunteers!
