

# FAIR HILL DERBY WEEKEND GET-AWAY

## September 3-7, 2020

**All breeds, gaits, riding styles and experience levels welcome**

**6000 acres dedicated to trail riding** Fair Hill is Maryland's premier trail riding gem with over 80 miles of trails through open fields, woodlands along the river, thru tunnels and over bridges. Most trails are well marked that coincide with the DNR Map. Ride on your own or with informal groups.

**Fair Hill equestrian camping offers safe stabling, field camping around the barns, real showers and bathrooms. Motels for the non-camper are nearby, as well as local restaurants and convenience stores.**

**There is limited electric and water hook-ups adjacent to the barns.** These are assigned first to volunteers helping with the weekend; then if any are left by lottery to others. So use the registration form on the flip side to reserve your stall and camp spot.

**There is plenty of other things to do for you and your non-riding partner ...** hiking, biking, fishing and boating (Chesapeake Bay and Susquehanna River are close by) --- nature center with family programs – zoo – historical sites and events — wineries —plus much more. Or just relax at camp!

**Across the street from the Fairgrounds and equestrian camping is the Fair Hill Training Center,** home of 2006 Kentucky Derby winner Barbaro. It is the most innovative race horse training center in North America providing unsurpassed facilities to maximize performance and soundness of the equine athlete. <http://www.fairhilltrainingcenter.com/>

This is our 25th year at Fair Hill, always in October in the past. Fair Hill is the sight of the new and exciting **Maryland 5 STAR International** event, which is only the second such event in the US and seventh worldwide. It is an equine triathlon with horses from all around the world competing in cross country, dressage and stadium jumping. The 5 STAR will be October 15-18, so we changed our usual fall plans to hold two weekends in spring and Labor Day. <https://maryland5star.us/>

**Our April weekend was cancelled because of the Covid-19 Pandemic** We are keeping our fingers crossed that the Governor's new Roadmap to Recovery will allow the State Parks to reopen. We may still be practicing some form of social distancing and masking, but our Chesapeake Club can always make the best out of any situation.

**This is the postponed Kentucky Derby Weekend, so plan for a Derby Hat contest (horse and/or rider) ... maybe a special protective mask contest ...** We will finalize fun activities at camp closer to time. Suggestions are always welcomed.

**Book for as many nights as you can come, or just for a day... refunds will be made if we must cancel again due to the Covid-19. Reservations are required.**

**STOP**
